Progress Created By Team Work

The 1968-69 school year has brought new projects and innovations to Delton High School. Under the progressive leadership of Superintendent Mr. Basil Johnson, Principal Mr. Willard Baker and school board members, Delton has experienced a year of growth, expansion and fulfilled dreams. Projects started years ago are now a reality.

Construction was completed this year on a new bus barn, a baseball diamond, two additional tennis courts, a parking lot, and more bleachers for the football field.

Changes that aren't so visible include the new position of assistant Principal, held by Mr. Bruce Carman, and the establishment of a Student Code and a Community School program.

Homecoming Strengthens Student Unity And Promotes School Spirit

Homecoming was the first activity and major event of the 1968-69 school year. It dawned on a bright October day, well suited for the cheerful atmosphere that surrounded Delton. The activities began with a parade through town, followed by the traditional barbecue, and a pep rally and bonfire that built excitement and spirit for the game. Half-time ended anxious waiting as the juniors were awarded the float trophy and Judy Dewey and Lyle Lester were crowned Homecoming King and Queen. The Delton Panthers played a tough game as they fought hard for yardage against the Mattawan team, but it ended in a 0-0 tie. As weary parents headed home, students used their remaining energy to dance to the music of the "James Scott Reunion."

**Homecoming is . . .

**Go!

The spirit-boosting bonfire and pep rally raised hopes for the Panther game.

'69 Winter Festival . . .

The 2nd annual Winter Festival was a real success. The class spirit in the halls and in the pep assembly gave the teams the confidence and eagerness they needed to beat Mattawan.

**Yea
Panthers!**

The Panthers had their best all-round game of the season Friday when they turned back Mattawan 72-60: and won the reserve battle 51-48.

At halftime the announcement of the '69 Winter Festival Duke and Duchess was anxiously awaited by Delton fans. Cindie Morse and Denny Hermenitt graciously accepted the honor.

Students Receive Scholastic Honors

Academic achievements in a high school are sometimes overlooked in the rush of activities that are more exciting, enjoyable and popular than the school work that sits home untouched. But each year at Delton the time is taken to recognize the students who are persistent in their studies and excel in one or more of their classes. The honored students can be proud of this accomplishment for it is their hard work and diligence that allows them to attend the Honors Banquet.

This page sponsored by PATTEN MONUMENT CO.

At right the coaches await the opportunity to introduce their teams as the guest speaker, Glen Schembechler, the head football coach at the University of Michigan, presents his talk.

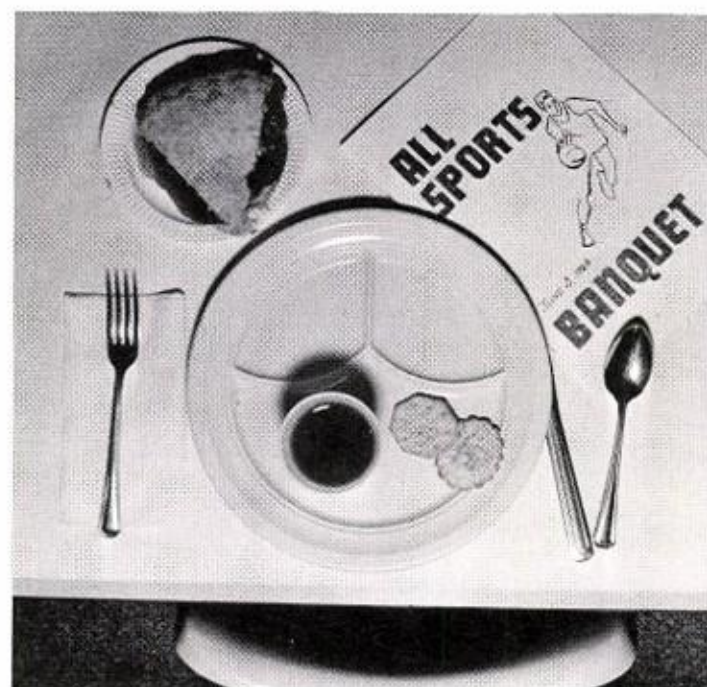

Athletic Excellence Praised At Banquet

Every spring, as the sports come to an end for another school year, the athletes who competed on teams for Delton are honored at the All-Sports Banquet. At this time, after the exhausting hours of practice and exciting minutes of competition are over, the teams are recognized for their achievements. Most important of all, however, is the individual acknowledgment given to each athlete for his efforts, whether he was the team's super star or the guy that sat the bench, always ready to help the team when he was needed. It was being a member of a team that really counted.

The delicious dinner served at the banquet gets a hungry eye from Pam Pier-son as she passes some food on to Mark Alman.

Freshman Receives Top Honors In Science Fair

Tom Davie, a freshman biology student, won the Grand Prize of the 1969 Delton Science Fair with his entry "How Seeds In Soil Are Affected By Detergents." Tom, the first freshman ever to win this honor, worked approximately three months on his experiment, which was to determine the affects that detergent content in the soil had on plant growth.

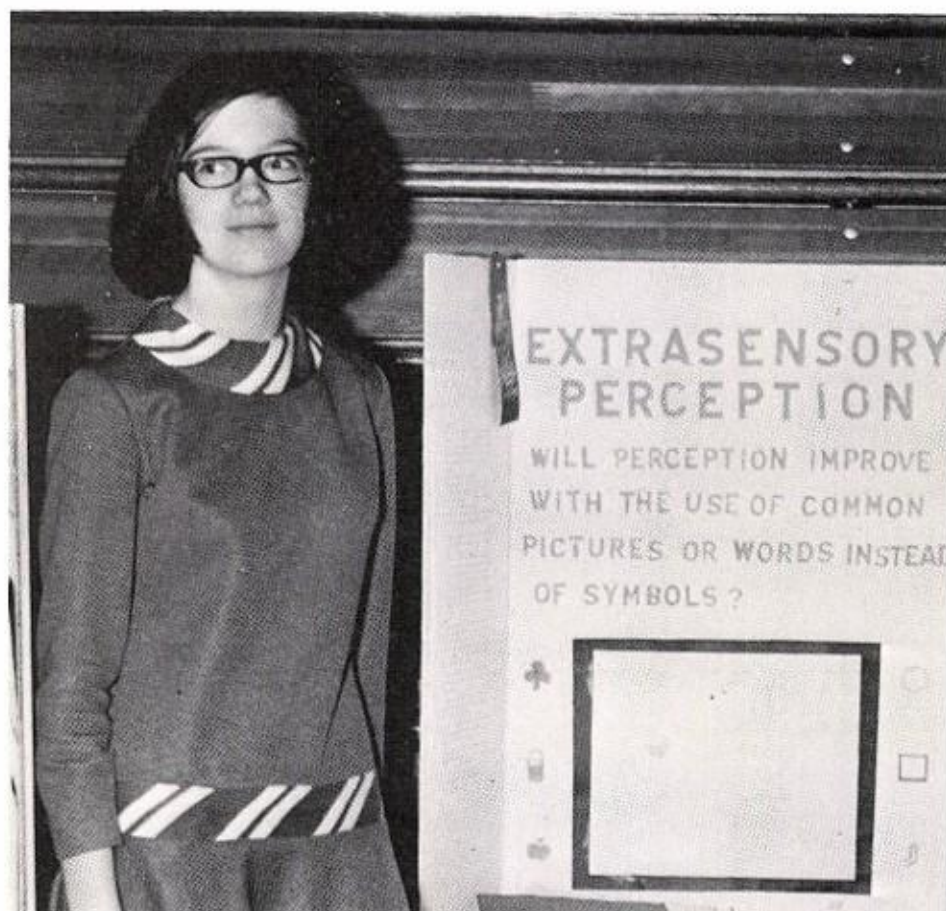

Students that took honors in the 11th-12th grade division were Joyce Humphreys, first, Jim Stoneburner, second, David Larkin, third and honorable mention to Virginia Rickert and Gary Gibson.

In the 9th-10th grade division first place went to Grand Winner Tom Davie. Jim Nelson placed second, Julie Nicely, third and honorable mention to Kathy Kidder and Beth Christensen.

“We’re Proud Of Our Band . . .”

How many times have you heard a student or adult spectator at a game say that about the performing band? Well, if you're at Delton you'll hear it frequently. Whether they're stepping onto the football field, sounding off with the school song, or swinging into "Sweet Georgia Brown" as the basketball team warms up, the Delton Senior Band strikes a proud note in the hearts of the Delton people. Being a band that takes continual straight firsts in competition and has more awards than can be named, little else can be said except that they boost the pride and spirit of the school and community. Hats off to the Delton Senior Band!

Progressive Year For Student Council

One of the toughest elected positions for a student to hold at Delton is that of a Student Council representative. It requires responsibility, integrity and imagination from the council members in order to have a successful year. The school was fortunate enough to have several students such as this within the 1968-69 Student Council. These people not only supplied new ideas but the time and energy to get them started. Among their accomplishments were the revision of the Constitution, formation of a student lounge, purchasing of a juke box, sending packages to soldiers in Vietnam, hanging of the Freedom Shrine display in the halls and filling the marquee planter.

Student Council members conduct tours for visiting KVA students on exchange day. Below Code members discuss revisions to be made to former code.

Controversy Over Sideburns Resolved

The Student Code Committee, set up to study and revise the original Code, met a great deal of conflict on the issue of personal appearance. A large percent of the male population within the school felt that they should be allowed to wear long sideburns, mustaches and beards. The administration, reluctant to allow such a drastic change, compromised with the students request and longer sideburns became permissible.

Student Code members are BACK ROW: Doug Goebel, Shelly Springer, Linda Liceaga, Ray Shinabarger. MIDDLE: Jo VanderVeen, Phil Michael, Tom Davie, Dan Jeaska, Pat Foster. FRONT: Deb Smith, Jackie Weeks, Julie Nicely, Lorraine Kidder, Mary Montague.

Sports Is Key To Varsity Club

Becoming a Varsity Club member means more than going through the humorous, embarrassing and sometimes painful experience of initiation. It requires a Varsity letter which is earned through long hours of practice, training, drilling and more practice. It involves the heartaches, joys, disappointments and excitement that is felt during the winning and losing of a sports season. The Varsity Club unites those who have met the challenge of becoming an athlete and a team member.

This year the Varsity Club was led by President Lyle Lester, Vice-President Bruce Campbell, Secretary-Treasurer Phil Michael and was sponsored by Mr. Gordon Christensen.

Determination Plus Teamwork Gives Panther Power . . .

The Delton gridders fought several tough games this season, and although it was a disappointing year the team never gave up or lost hope. Usually, in a season such as Delton had, the team diminishes as the games wear on. This year however, the last game found the team only one man short of their beginning number.

Highlighting the season were some very fine individual players including tackles Rick Armintrout and Blaine High, leading rusher John Dyer and quarterback Sam Zomer. The strength and determination displayed by both team and coach are a good indication of the type of squad that so proudly represented the Panthers this year.

12 Seniors Add Strength To Team . . .

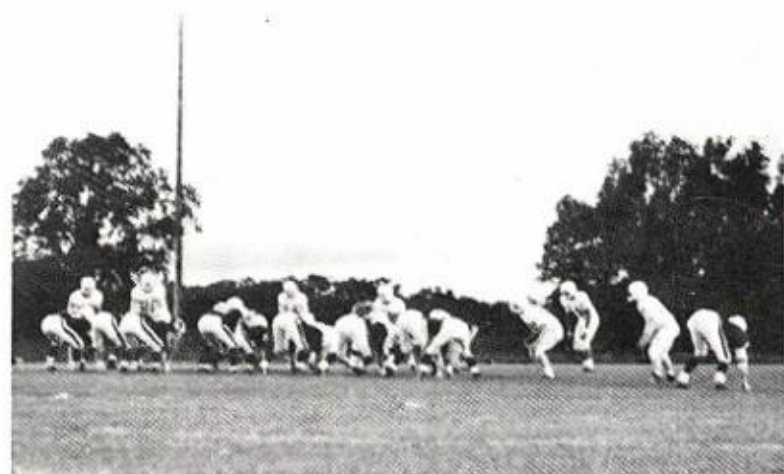

Senior players proved to be a valuable asset to the football squad this year. One particular senior standout, Rick Armintrout, made All-KVA league, UPI honorable mention All-State, 71 tackles and was "one of the best tackles ever to come out of Delton" according to Coach Christensen. All twelve seniors put everything into the team and kept spirits high.

Rigid Practice Promotes Team Strength

Practice, practice, practice ... running ... during summer vacation ... after school ... before games ... running ... hitting ... blocking ... running ... more practice ...

Football means hard work and practice never failed to live up to that meaning. Whether the field was dry, muddy or snow covered, the workouts were full of rushing, tackling, passing, catching and, of course, running. The running of Lester's Hill, the large mound behind the school, was a specialty, however, and it will remain a "fond memory to the Delton players.

Coach Christensen and Co-Captain Bruce Campbell, above, discuss tactics. At right, Rick Armintrout moves in on a Mattawan ball carrier.

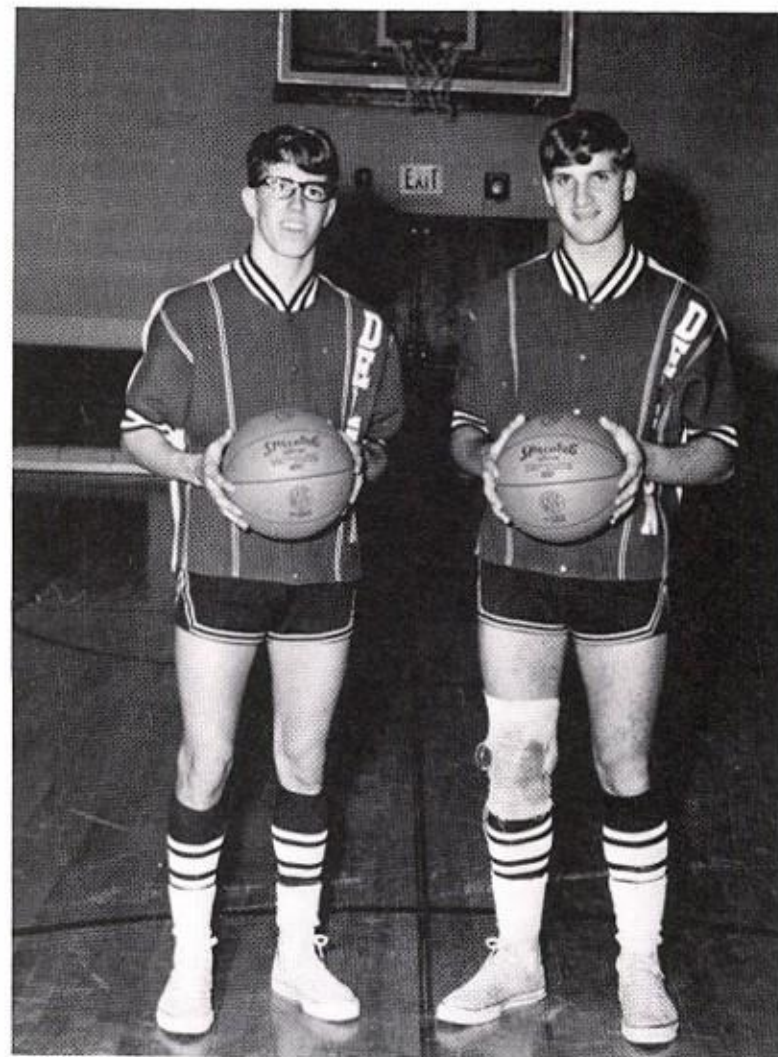

Football Power For Future Years

The 1968-69 basketball season turned out to be a high spirited race for a position in the KVA standings. Under the direction of the new Varsity coach, Jack McWilliams, the Panthers, predicted to run last in the league, put on the steam to end with a respectable 8-8 season record.

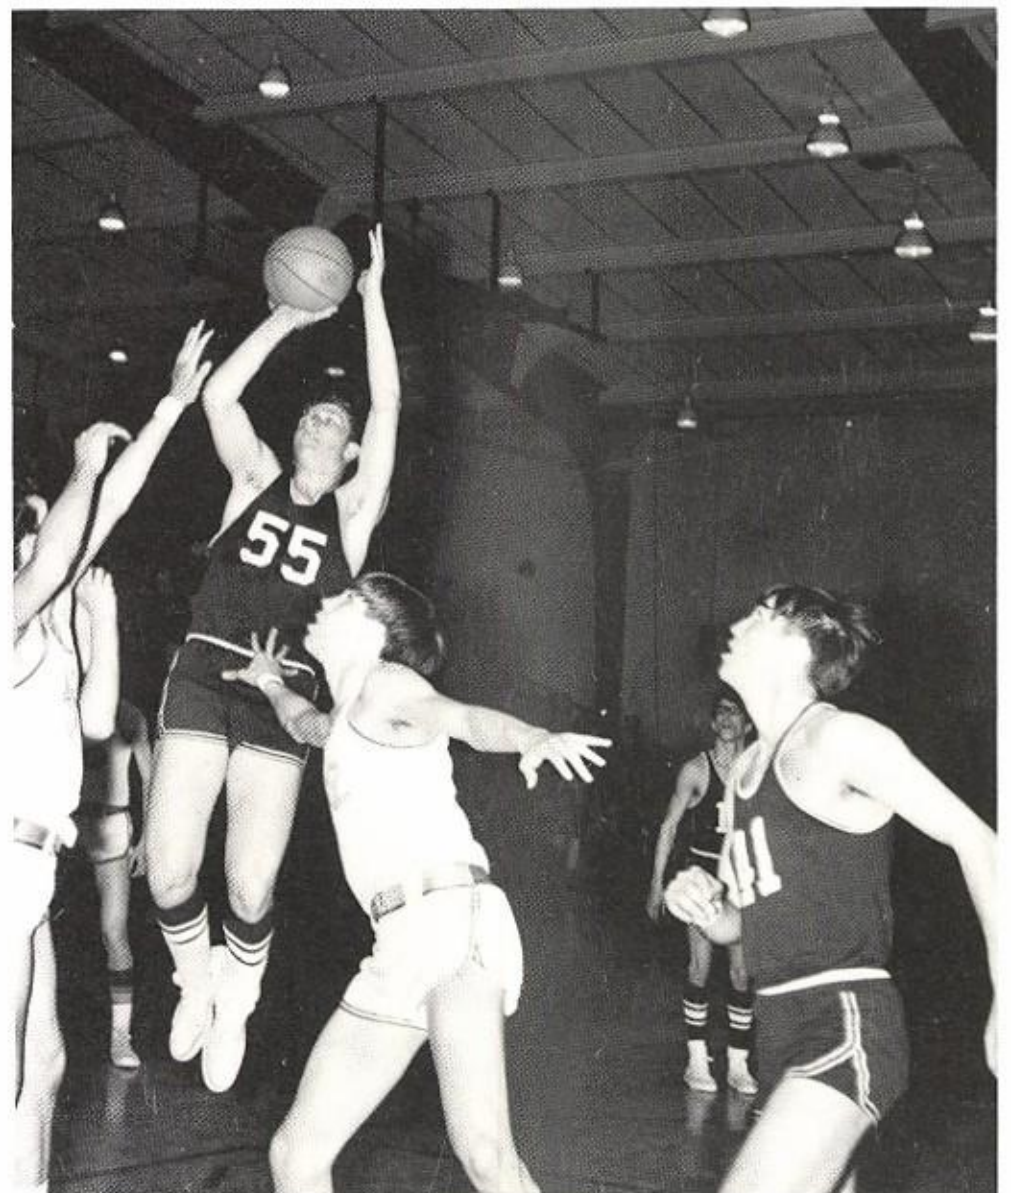

The team was always supported by a wildly enthusiastic crowd of fans. Never discouraged by a game lost, the students, alumni and parents would return to cheer the Panthers on to victory in the next game. The sportsmanship, plus pep and exuberance displayed by the Delton fans, cheerleaders and most important of all the ball team and coach, won the KVA sportsmanship trophy for Delton.

Coach Jack McWilliams, assisted by manager Wendy Trantham, kept the ball team organized and efficient during the long winter season.

At right, Winn Matteson fires a shot from amidst the entanglement of opponents arms during the Winter Festival game with Mattawan.

Seniors Contribute Experience To Team

Senior Lyle Lester has played Varsity ball for two years. Respected and admired by his teammates, Lyle was voted as team captain and served the squad as a strong player and morale booster, to help them through many difficult games.

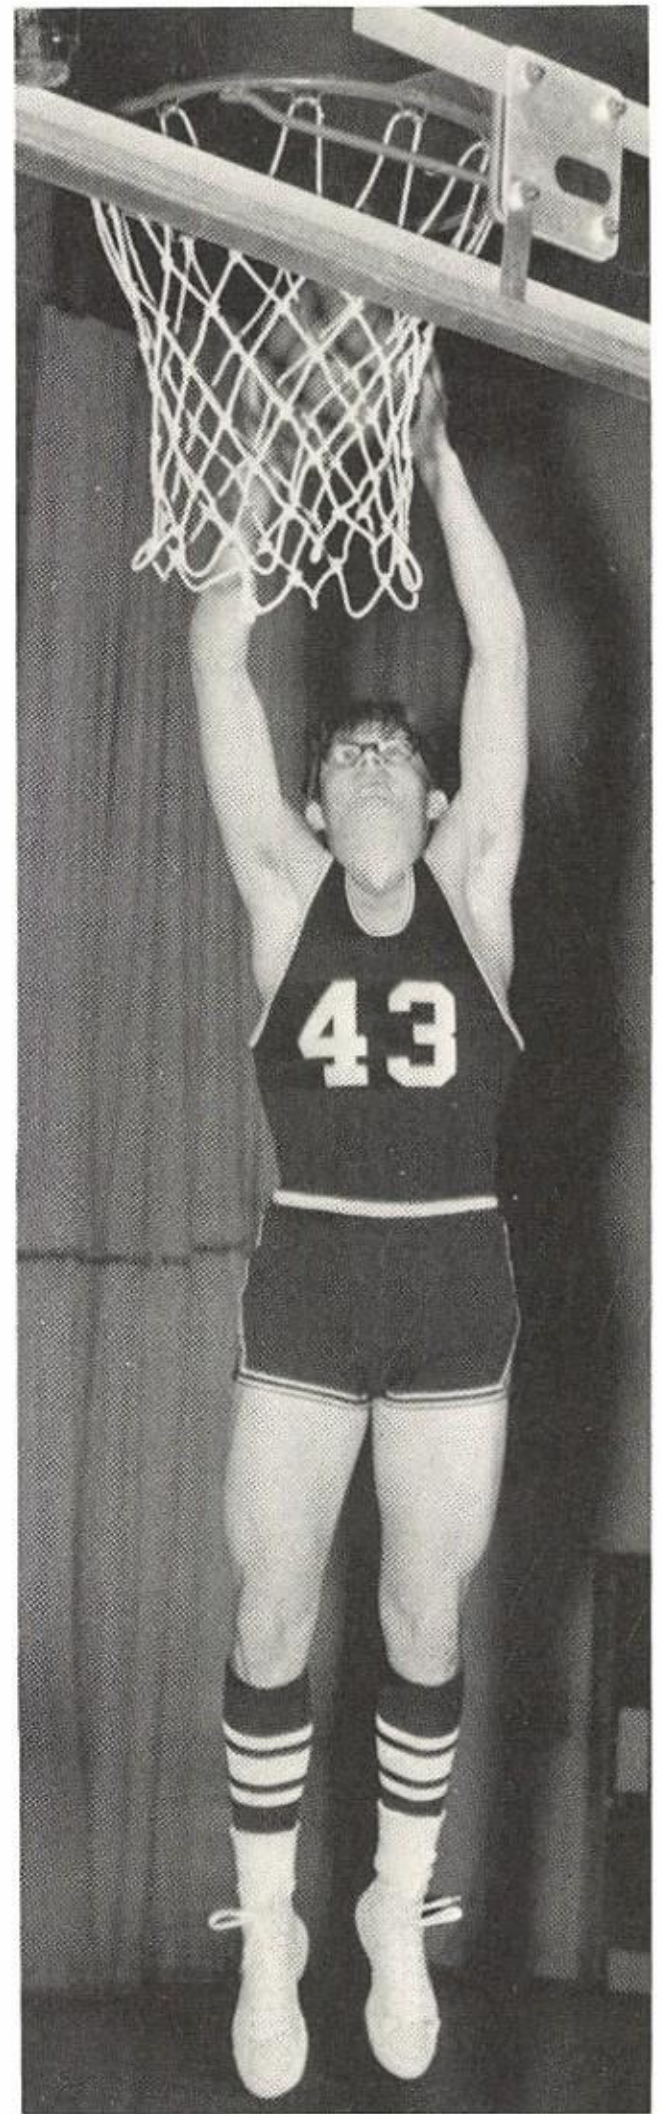

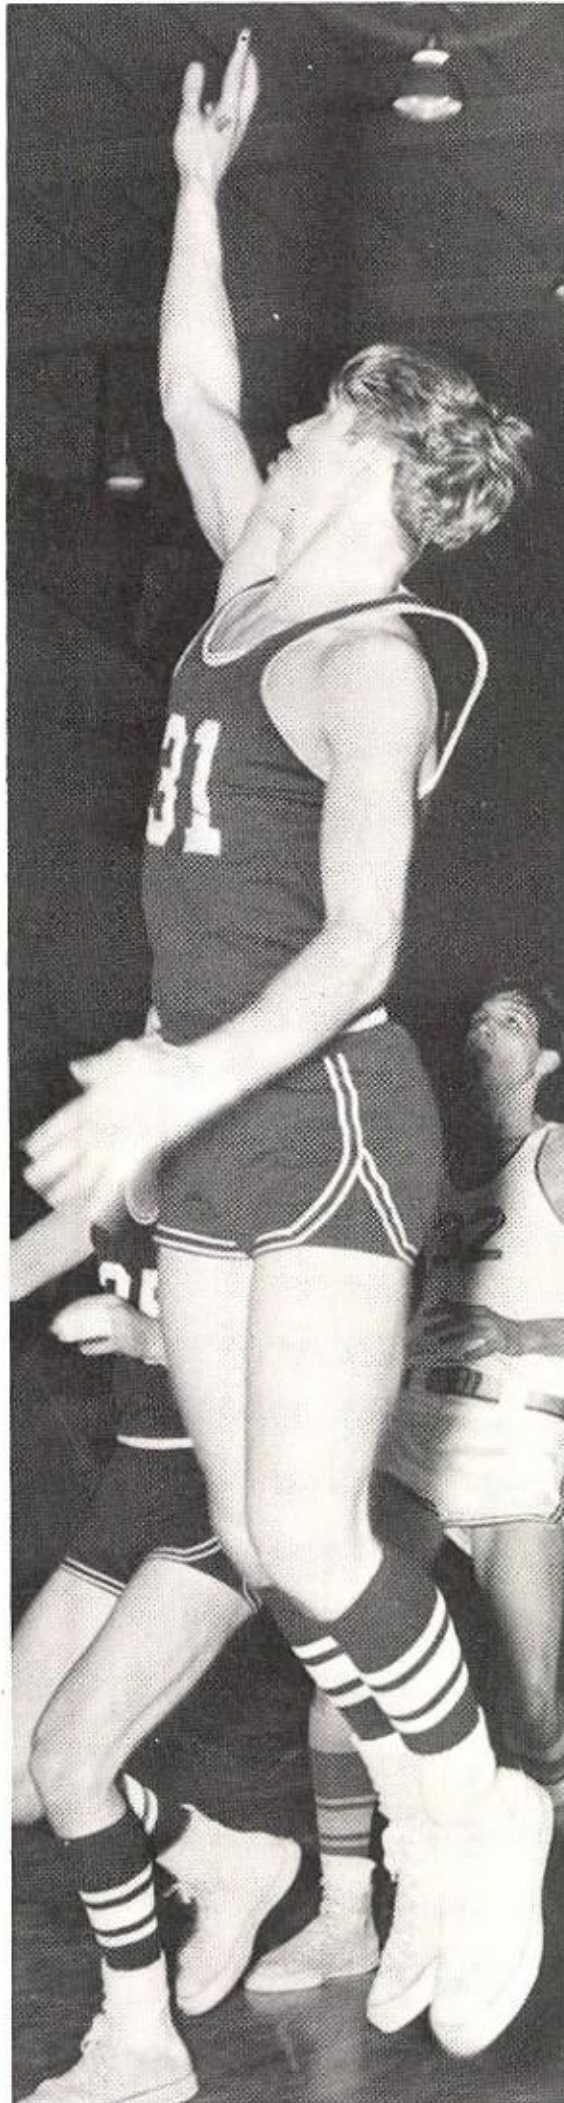

Mark Alman, a second year man on the squad, was the man on the move during basketball season. Always coming through in a tough situation, Mark worked hard generating team drive that he himself displayed. Mark shared the position of team captain with Lyle and was selected as 2nd team All-KVA guard.

Bub Babcock went out for Varsity ball for the first time in his senior year and proved to be an excellent rebounding defense man and sharp shooter. His teammates voted him Most Improved Player of the year.

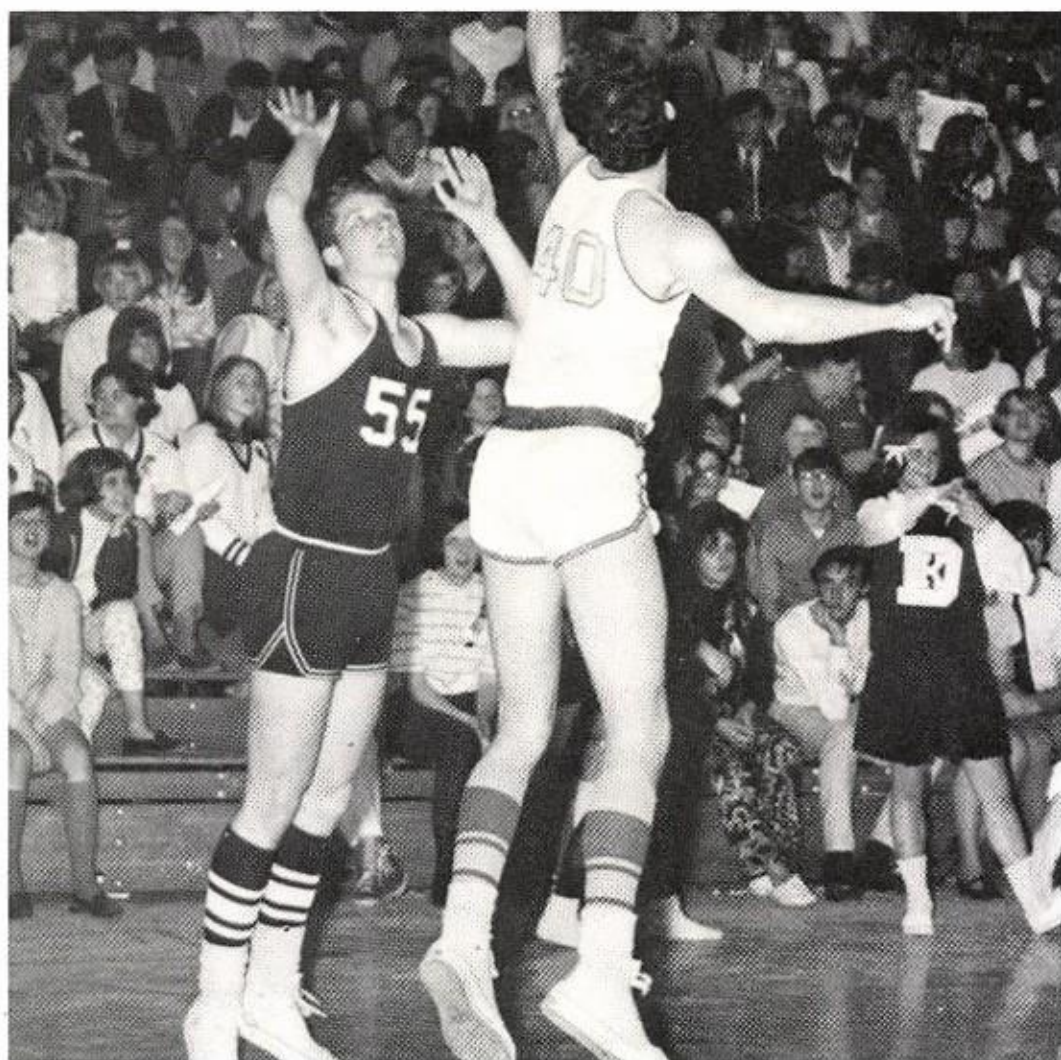

Senior Mike Little was a consistent starter during the cage season. Possessing the ability to play fast, defensive ball and score when needed most made Mike a valuable asset to the team.

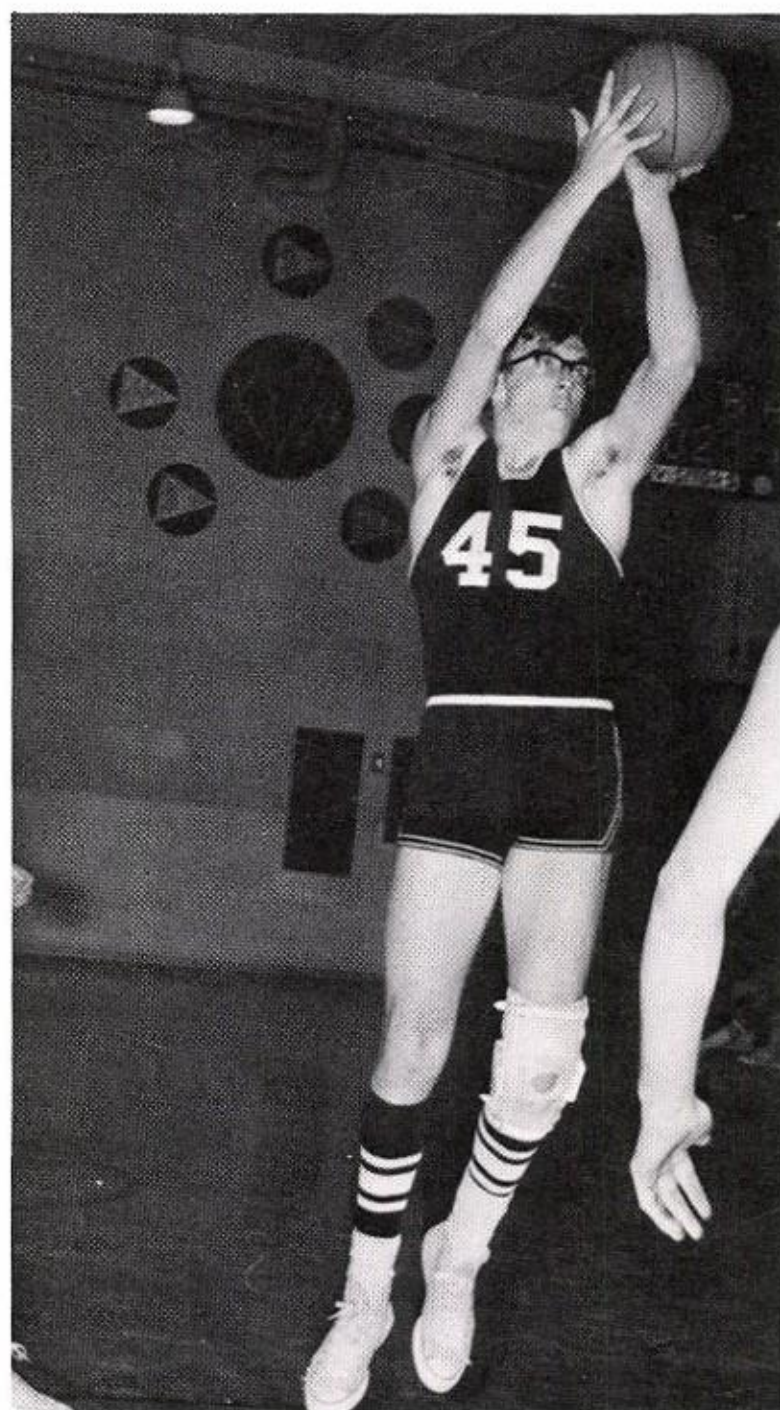

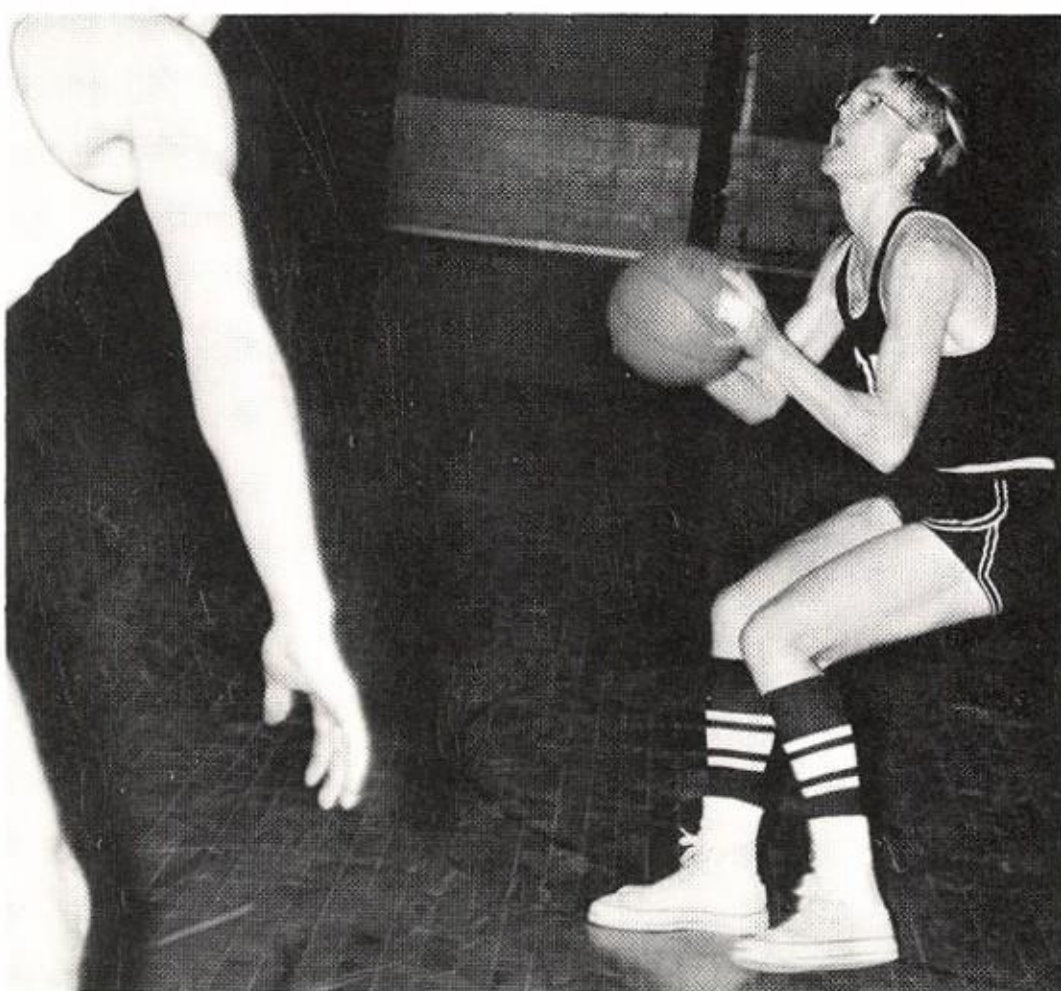

Stuffing a basketball was one of the many great abilities that Pat Gailey displayed during basketball season. Pat, a second year senior player, proved his worth as a strong starter and versatile back-up man.

Tournament Exciting But Disappointing

Winn Matteson launches one of his accurate long corner shots that gained many points for the Panthers. Winn, a junior, proved to be indispensable for his all-around good play. He received Honorable Mention for the All-KVA league team.

Junior Gene Lewis evades an opponent to attempt a shot from the corner. Gene could come into a game cold and immediately fire shots through the nets with amazing ease, which made him a tremendous back-up man.

Bob Nelson, a junior, lets loose with a long one from the top of the key. As the usual starting center, Bob's height and defensive prowess proved to be valuable under the boards.

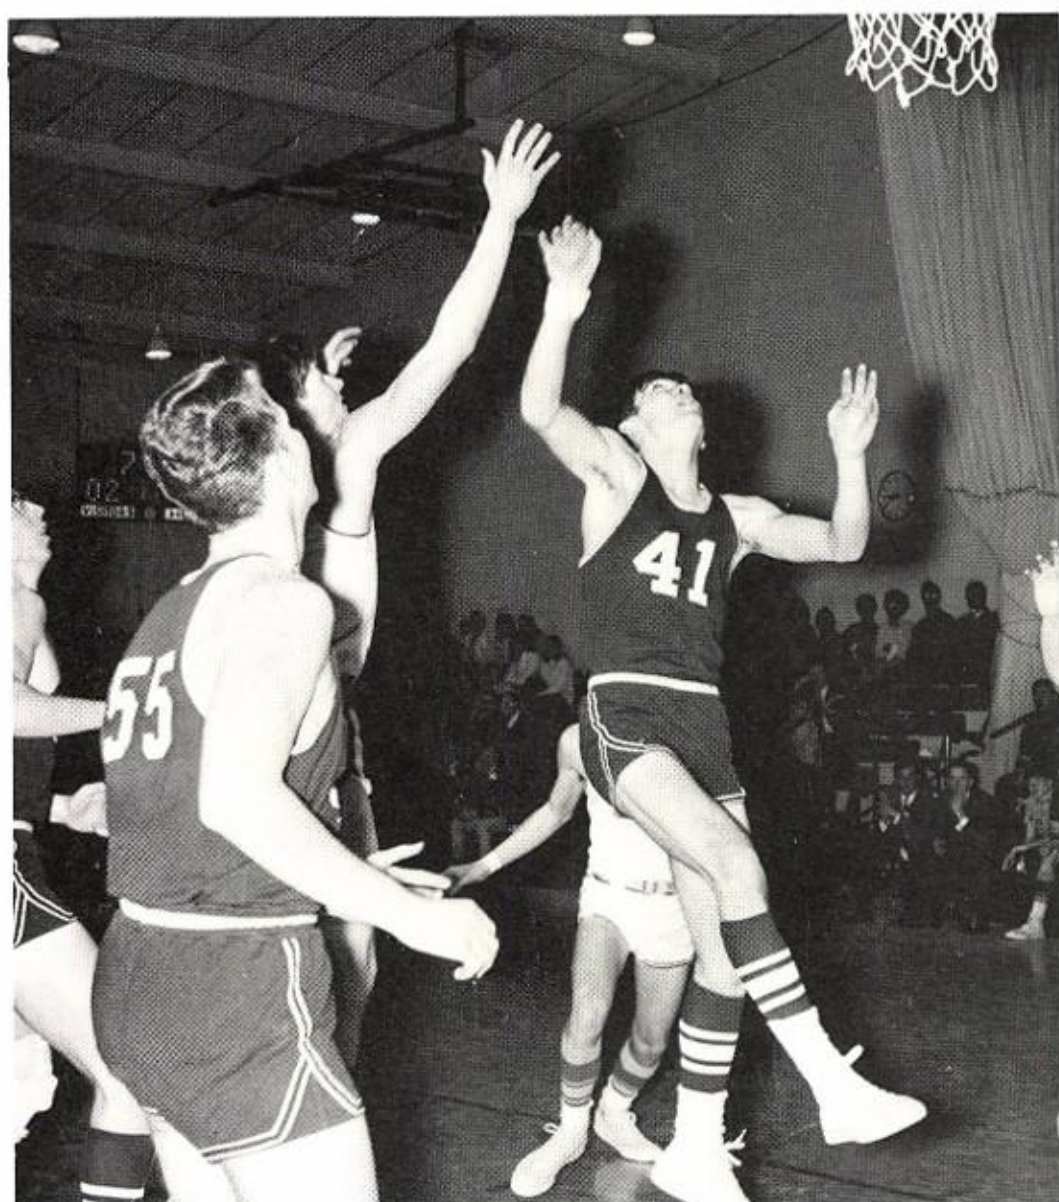

Mike Boyle was selected as the Most Valuable player on this year's squad, an honor rarely bestowed to a junior. With an ability to score consistently, Mike frequently took honors for high point man. He was awarded Honorable Mention for All-KVA league team.

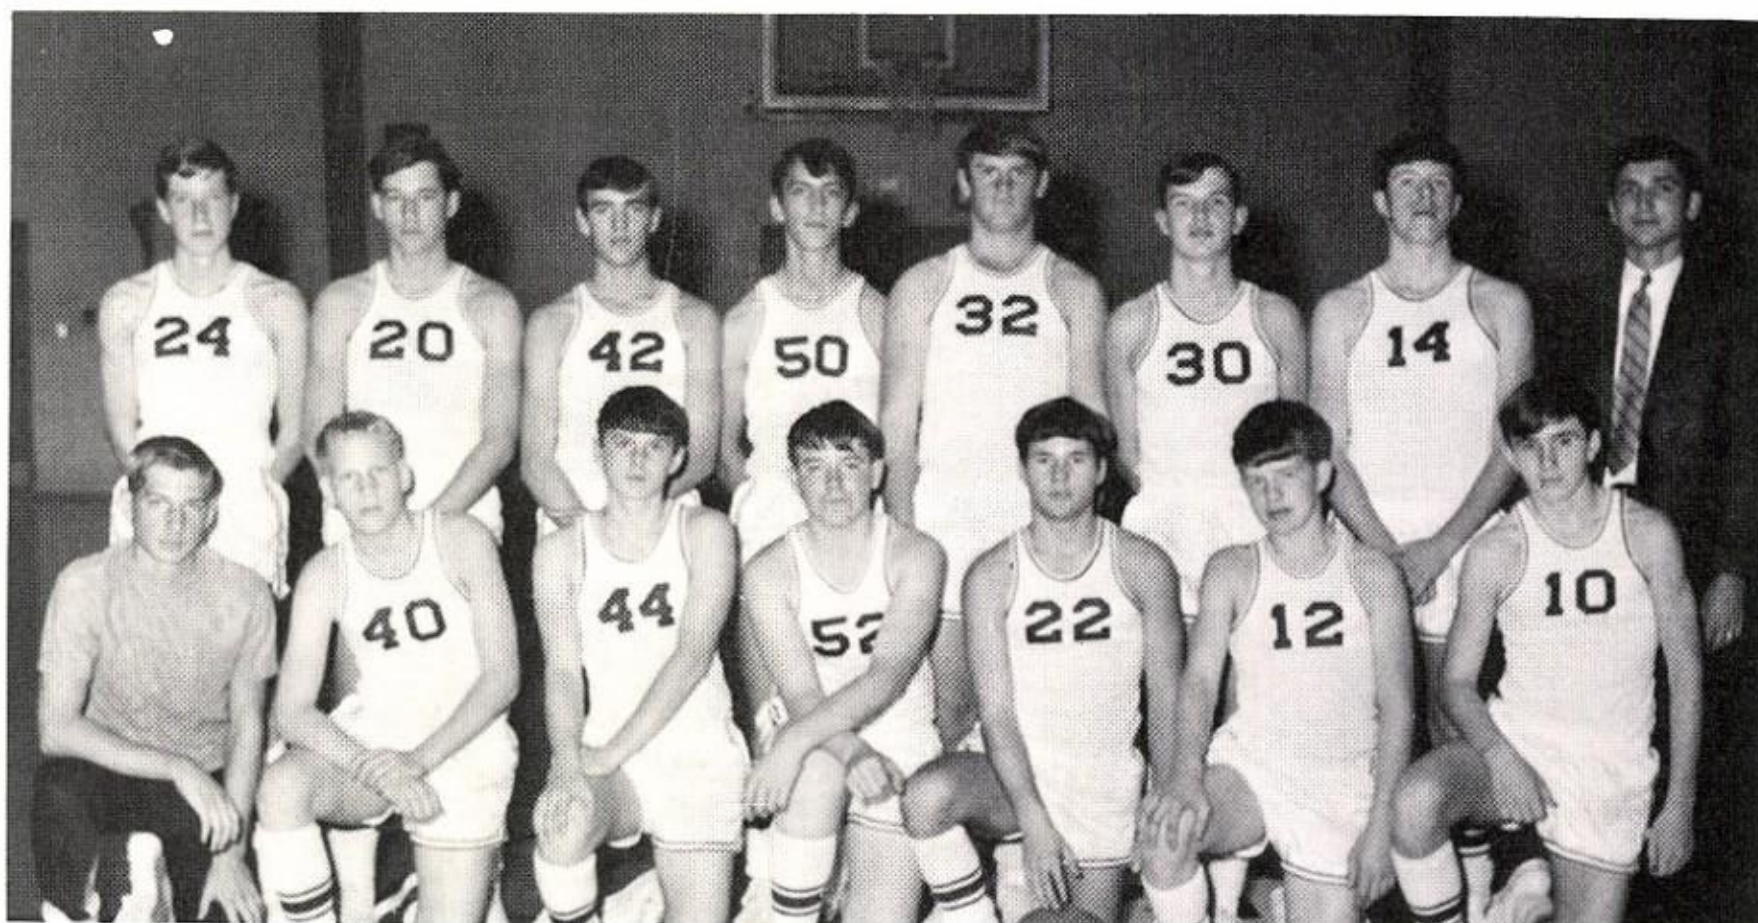

Herb Doster readies himself for a rebound as opponents close in to battle for the ball. Coming on strong in his junior year, Herb made such a tremendous impression with his defensive play and accurate shot that he earned an occasional starting spot.

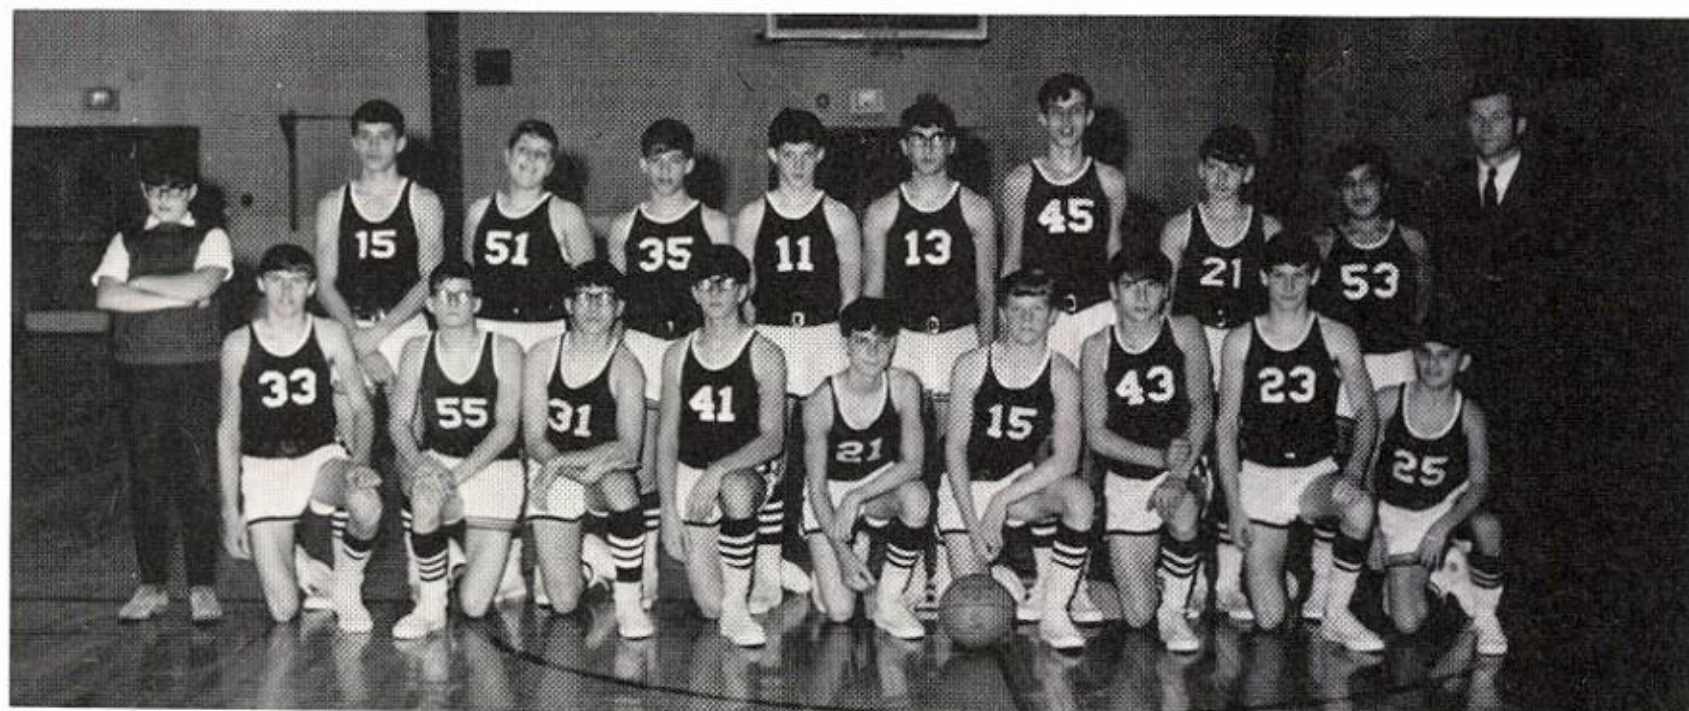

Junior Sam Zomer, running through warm-ups before game time, had the distinction of being voted the Team Clown by his teammates. Always a delight to the crowd, Sam was frequently kidded about his quarterback abilities carrying over to the cage season. His pleasant personality added the wit and humor needed to take the edge off of rough practices and close games.

Heavyweight Kevin Morgan won first in KVA, District and grappled his way through two matches at Regionals.

Seniors Don Butler, Kevin Morgan and Ken Hook took top honors on this year's team.

Wrestling is a tough sport which requires determination and endless energy. It is also an individual sport. A good grappler can go undefeated even though the team may have a poor season.

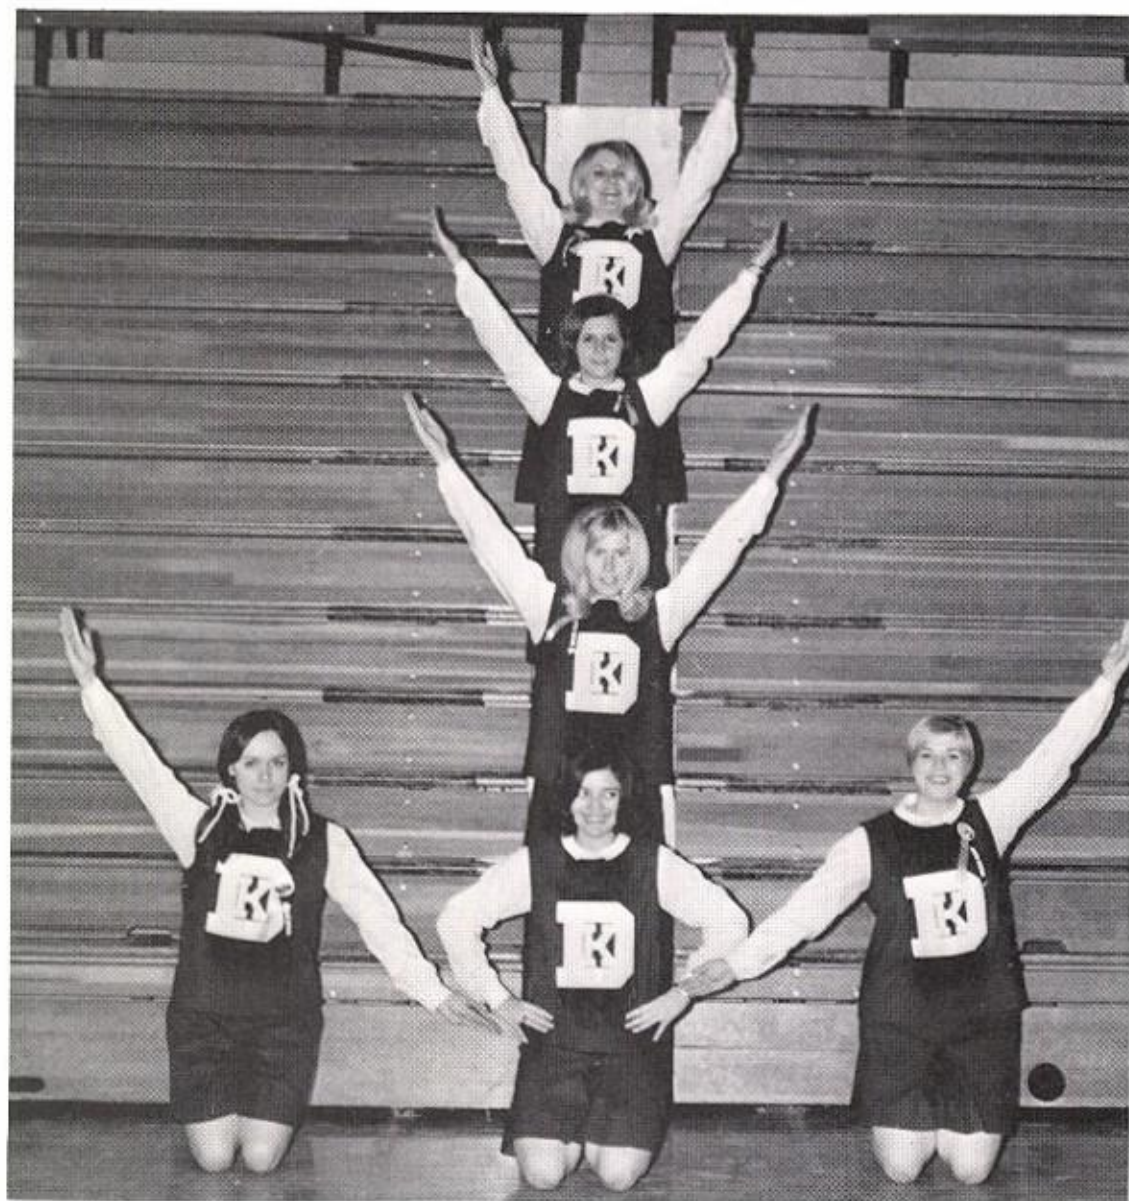

Each practice begins with exercises which are as important to the team as to the individual.

Don Butler, the team captain, won the most matches.

Trophy Taken In Big Memorial Day Win . . .

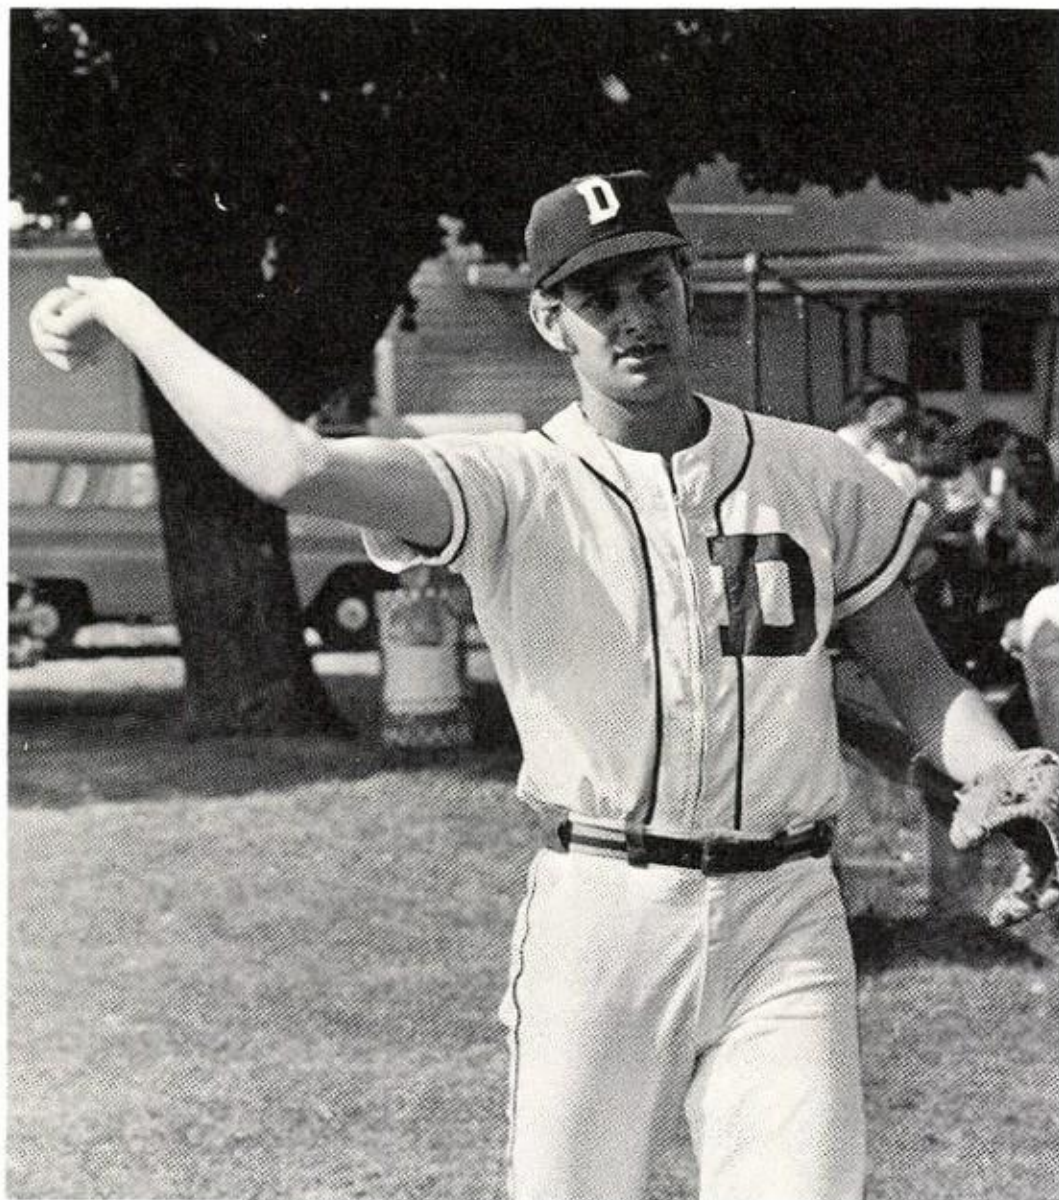

Memorial Day was full of exciting and enjoyable events, but one was when Delton's own Panthers scored their victory over Gull Lake. The game was perhaps the most exciting of the entire season. The score teetered back and forth with one team ahead then the other. But when the game ended at 8-7, Delton's favor, there was no question that the Panthers deserved the winner's trophy after the hard-fought battle.

Senior Doug Campbell, originally the team catcher, turned to pitching this year and did a fantastic job for the Panthers. His most notable accomplishment came when he pitched a no-hitter. Doug, a 3-year man, shared the pitcher's mound with junior Jim Stoneburner.

John Conine, known for his long home run ball, was a 4-year man on the team. He made All-KVA for 3 years for third base.

Guy Lambert, a senior, warms up before he heads out to his outfield position for another game.

Phil Michael, a strong hitting second baseman, seems to enjoy another sport offered at the baseball games. That's not part of the game Phil!

Doug Campbell receives congratulations for another one of his frequent home runs. Doug has made the All-KVA for 2 years.

Coach Lamphier watches the game closely so he can give advice when necessary and help keep the team functioning properly.

Senior Dennis Karmes, a two year man on the team, played left field and proved to be a consistent hitter for the Panthers.

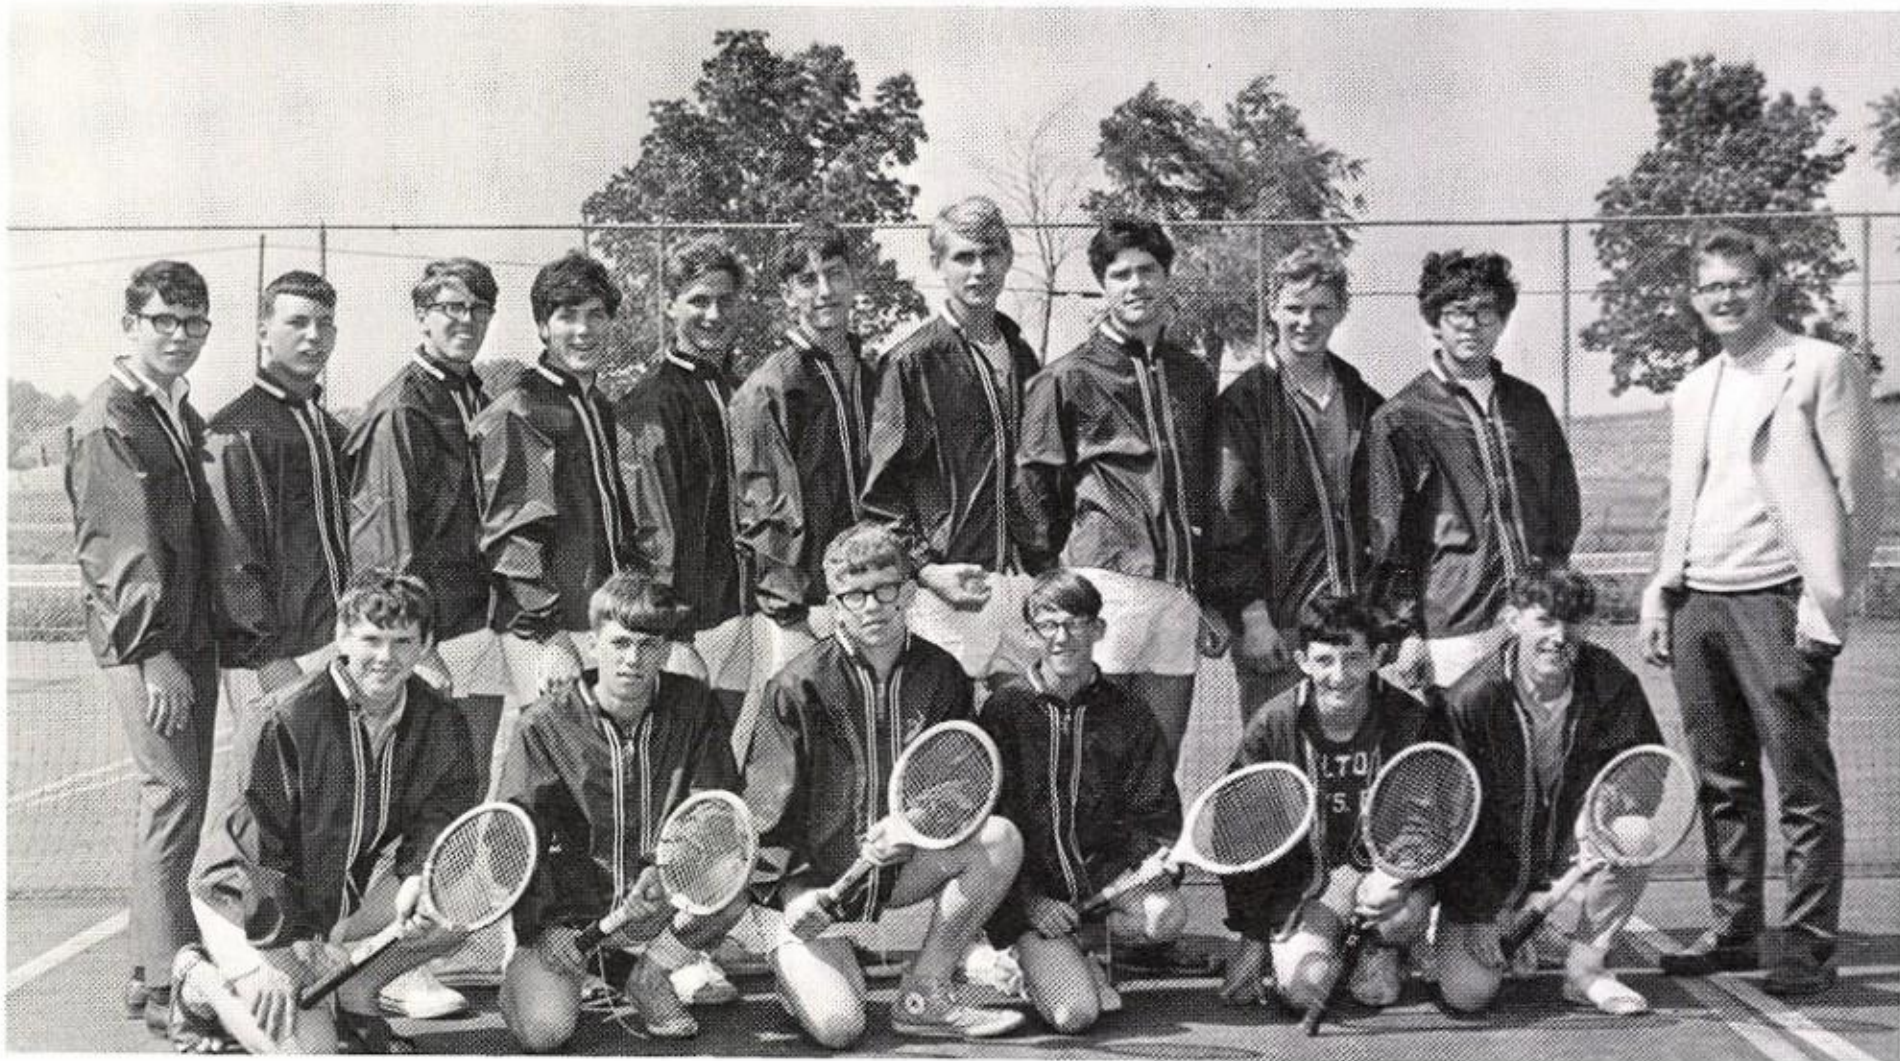

Bruce Campbell, a regular starter, played second base, field and provided batting strength at home base.

Seniors Add Depth To Team

J. V. TEAM: V. Homister, J. Zomer, G. Foster, T. VanHuysen, C. Miknis, R. Hyde, T. O'Meara, S. Hermenitt, J. Reagh. Other members include B. Little, R. Woodstock, M. Gailey, S. Sager, R. Gunn, and managers D. Rockwell, R. Dupon. The J. V. 's were coached by Mr. McDonald.

TENNIS TEAM; BACK ROW: J. Jones, T. Dyer, M. Alman, P. Foster, B. Houghtaling, R. Kroes, B. Babcock, R. Mott, J. Sinclair, D. Goebel, Coach Jones. FRONT ROW: J. Bourde, M. Haas, B. Asakavich, T. Winchell, D. Hale.

Tennis Team Has Exciting And Colorful Year

Each sport has its own necessary virtues. Tennis is a game of coordination and finesse. To win one doesn't have to be big, strong and overloaded with muscles. But it does take a great amount of talent, discipline, and courage to win consistently. To a tennis player, winning a match is just as important as it is to any other athlete.

Mark Alman finished his fourth varsity tennis season with a 14-3 record. In compiling this record he reached the semi-finals of the KVA and the regional tennis tournament.

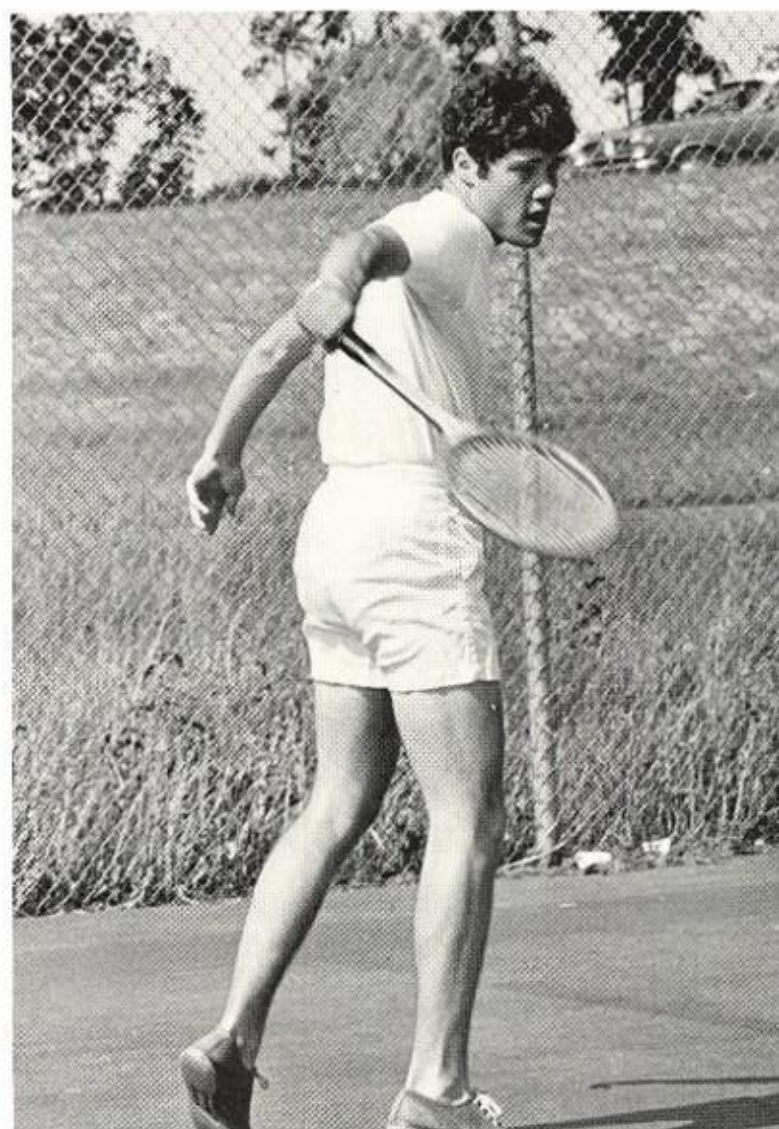

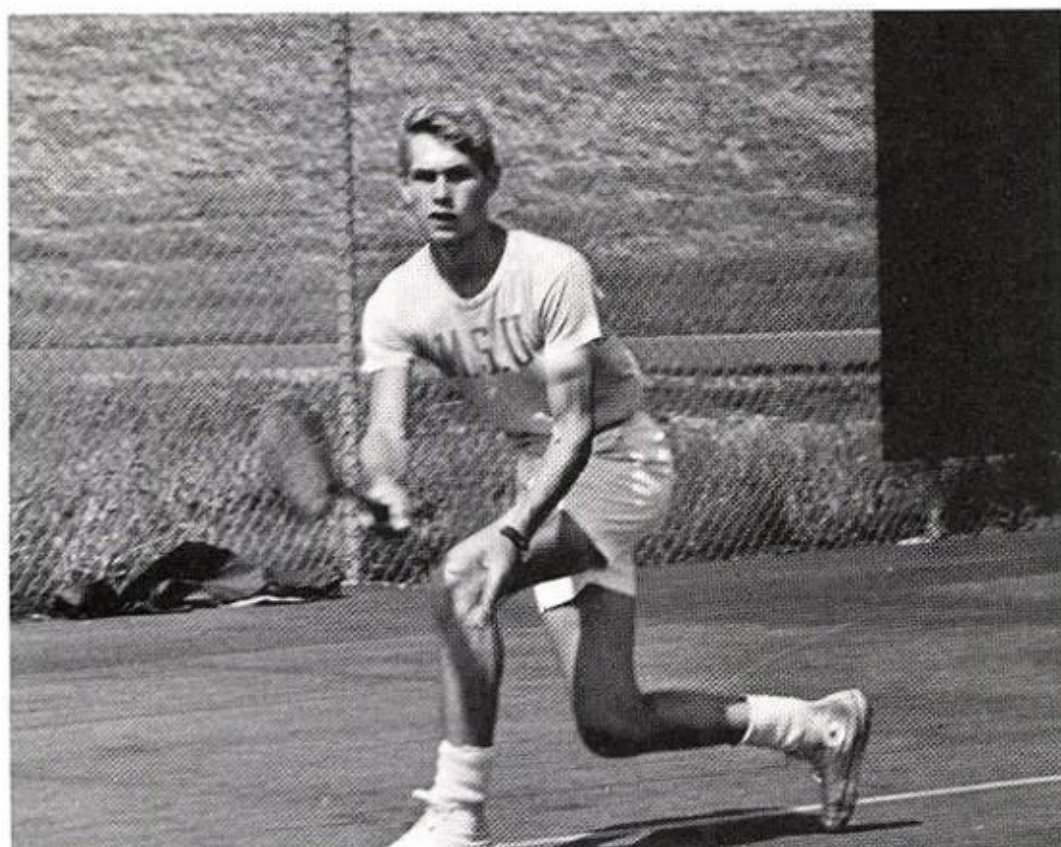

Doug Goebel, a fast and strong player, provided the depth that helped the varsity net team win many meets.

Impressive Record Turned In By Seniors

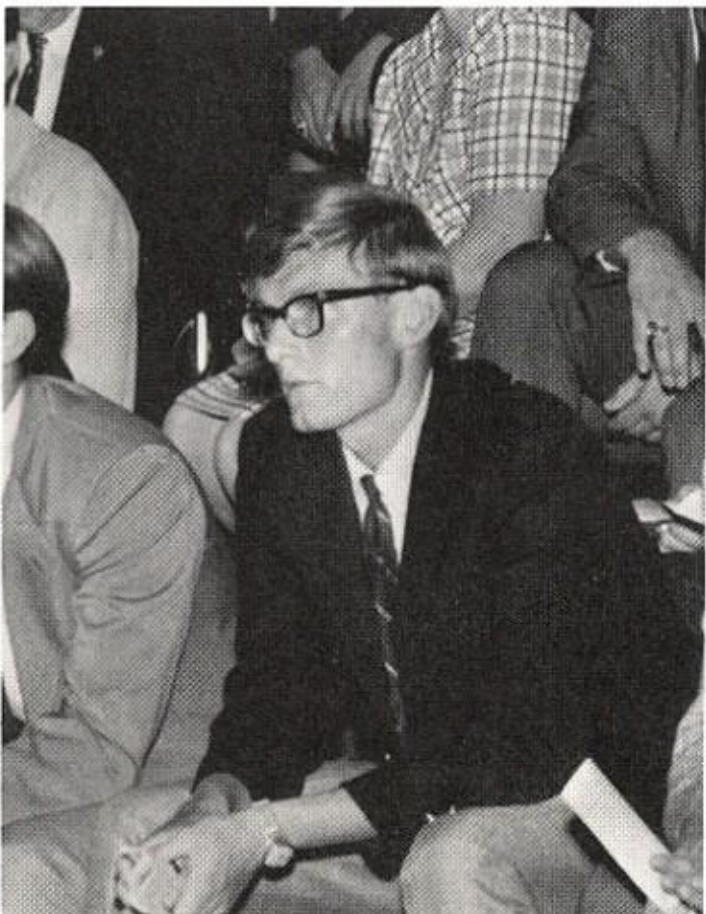

In his third Varsity season, Russ Mott showed good consistency as he stroked his way through a fine season.

Bub Babcock, a four year player, used his talent and experience wisely as he turned in a 12-5 record. Bud and his doubles partner, Russ Mott, reached the semi-finals of the regional tennis tournament.

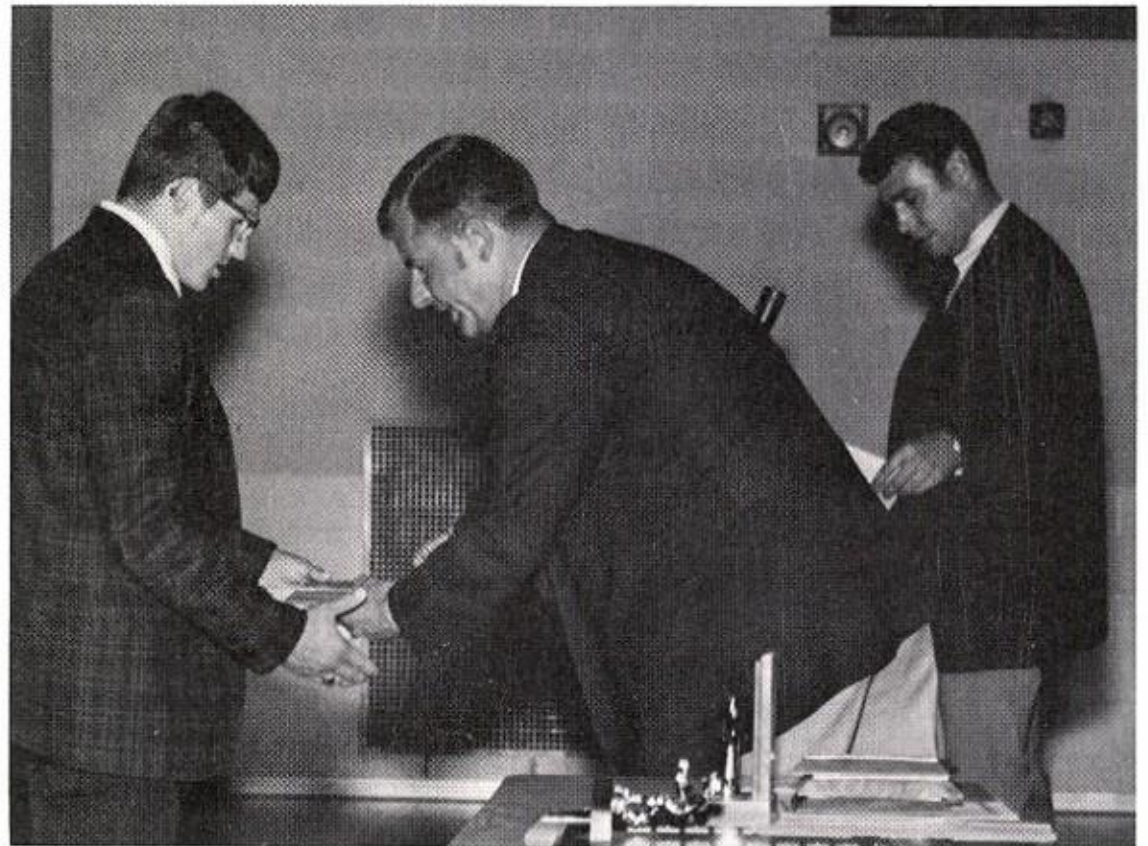

Kerry Loudon, this year's top runner, broke the school record for the mile run.

Scott Andersen waits for award at All-Sports Banquet.

Don Hall receives his track award from Coach Harrington and Christensen.

4 Place In KVA Meet

Though not a big year this was, nonetheless, an important year for track at Delton. Kerry Loudon led the team in running events and broke the school record for the mile in the KVA meet. Three other seniors won KVA honors. Jay Smith won 3rd in high hurdles, Scott Andersen took 4th in the 2-mile run and Don Hall placed 5th in the broad jump.

Other team members were P. Leinaar, T. Davie, D. Jeska, L. Lester, W. Trantham, G. Doster, L. Leeper, L. Little, M. Reitler, and A. Woodstock. Track was coached by Mr. Harrington and assistant coach Mr. Christensen.

Dennis Morgan, a 4-year man, receives his track award from Mr. Christensen.

VARSITY TEAM, L to R: R. Stephens, R. Young, C. Hill, W. Matteson, M. Bogema, D. Schutz, B. Heath and of course Coach McWilliams, who is known to be a good guy at Delton and a regular "chip off the old block".

Golf Team Has Promising Future

Robert Heath, a three year member of the team, was usually the number one man.

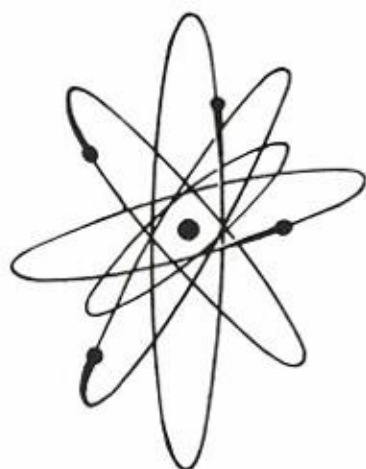

Doug Schutz, a senior, shared the number one spot with Bob Heath.

Enthusiastic and energetic are terms that can easily be applied to the junior class. Well known for collective, as well as individual achievements, the juniors took many awards during the 1968-69 school year. To lead the class of '70 through the successful year was President Gary Gibson, Vice-President Sam Zommer, Secretary Bev Stampfler and Treasurer Cindy Nicely.

Yearbook Staff Turns Out Record Breaking Book

The 1969 Deltonian certainly didn't break any speed records, but it did break just about every other yearbook record known to Delton. The staff sold a record number of books (400). There are more pictures, more pages, better layouts, and we hope, fewer mistakes this year. The staff is proud of the 1969 Deltonian, and we hope you will be too.
